

Scholarship Program 2026-2027

The Presbyterian Foundation of Louisiana

The Presbyterian Foundation of Louisiana, Inc., is a non-profit corporation formed in the state of Louisiana in 1956. It is governed and managed under the authority of the Synod of the Sun, Presbyterian Church USA. The Foundation's purpose is to glorify God and to extend His kingdom by helping the needy in areas of education, medical care, and the necessities of life. The scholarship program for engineering and medical students is the primary component of the educational purpose of the Foundation.

About the Donor: Mr. Gilbert Hyne

The Presbyterian Foundation of Louisiana Scholarship Committee administers funds derived from a bequest of the Gilbert Hyne Estate. Mr. Hyne was a layman and a member of the Oak Park Presbyterian Church in New Orleans, Louisiana. According to the instructions of his will, the interest derived from the principal of his gift is to be granted annually to students pursuing studies in the field of engineering or towards a medical doctorate degree.

The Scholarship Program

Each year, the Presbyterian Foundation of Louisiana awards scholarships in the fields of Engineering and Medicine. Students applying for a scholarship in Engineering must be entering their third or fourth year for the approaching fall term. Students applying in Medicine must have already been accepted and enrolled to an accredited Medical School for the approaching fall term.

Scholarship recipients are determined using a combination of factors including scholarship availability, financial need, meeting requirements in the fields of study, and references. Applications are considered without regard to race, national origin, place of residency, or school, or denominational affiliation. There is no requirement that the applicant be Presbyterian.

Please note: Consideration of requests from students pursuing degrees in dentistry, nursing, and veterinary medicine are not included for this scholarship as per the donor's wishes.

How to Apply

Complete the attached application form and return to the address indicated via email. Completed applications, including personal statement and letter of reference, must be received by **April 1, 2026**. It is the responsibility of the applicant to ensure letters of reference are submitted on time.

PRESBYTERIAN FOUNDATION OF LOUISIANA, Inc.
